of Commerce

I WOULD LIKE TO SUPPORT
TAKE THE LEAD 2015
BY BECOMING A SPONSOR!

Take the Lead supports the important work Girl Scouts of Eastern Pennsylvania is doing in the Lehigh Valley. We serve more than 40,000 girls throughout our 9-county Council.

Girl Scouting allows girls to make lifelong friends while embarking on new adventures—all while discovering more about themselves, connecting with others, and taking action to make their communities a better place.

When you invest in a girl, you are empowering her to change the world. That is what Girl Scouts is all about!
